## 6<sup>th</sup> June 2023

### INTERNATIONAL

#### 1) Germany, the fourth largest economy in the world

- Germany, the fourth largest economy in the world, is currently facing a recession due to a decline in the Euro and an unexpected contraction in the economy during the first three months of 2023.
- This contraction, marking the second consecutive quarter of decline, meets one definition of a recession.

### NATIONAL

#### 1) 22nd Law Commission's recent report on Section 124A of the Indian Penal Code

- The 22nd Law Commission's recent report on Section 124A of the Indian Penal Code (IPC) has recommended retaining the sedition law while proposing amendments and procedural safeguards to prevent its misuse.
- This article delves into the significance of the sedition law, the Law Commission's recommendations, and the arguments surrounding its retention or repeal.

#### 2) Indian Railways has invested more than Rs 1 lakh crore

- The Indian Railways has invested more than Rs 1 lakh crore in safety measures between the fiscal years 2017-2018 and 2021-2022, with a significant focus on track renewal.
- This information comes in response to claims made by Congress President Mallikarjun Kharge, who criticized the government over a recent train accident in Balasore, Odisha.
- The government is set to address a report by the Comptroller and Auditor General (CAG) of India, which Kharge cited to question the allocation of funds for track renewal.
- However, official data reveals a steady growth in expenditure on safety-related works, countering the claims of reduced funding.

#### 3) Cyclone Biparjoy

- Cyclone Biparjoy is a low-pressure area that is currently forming over the Southeast Arabian Sea. It is expected to intensify into a depression in the next 48 hours and may reach cyclonic storm intensity in the subsequent 72 hours.
