IMPORTANT DAYS

1) World Philosophy Day

- World Philosophy Day is commemorated on the third Thursday of November every year. This year it will fall on November 17. The United Nations Educational, Scientific, and Cultural Organization (UNESCO) proclaimed it an International day in 2005.

- However, that was not always the case. World Philosophy Day was first celebrated on November 21, 2002. UNESCO aimed to raise public awareness about philosophy and how vital it is, not only to connect the world today but to the past and present, as well as for a better understanding of the future.

2) November World COPD Day

- On the third Wednesday in November World COPD Day is observed. This year World COPD Day is observed on November 16. The day aims to create awareness about the condition and ways to reduce the burden of COPD worldwide.

- Chronic obstructive pulmonary disease (COPD) is the third leading cause of death worldwide. Its aim is to raise awareness, share knowledge, and discuss ways to reduce the burden of COPD worldwide.

3) National Epilepsy Day

- Each year, on November 17, National Epilepsy Day is marked in India to raise awareness of the condition. National Epilepsy Day 2022 is observed to raise public awareness of epilepsy.

- To raise awareness of the causes and symptoms of epilepsy, numerous governmental and non-governmental organisations will mark National Epilepsy Day in 2022. A persistent brain illness called epilepsy is marked by periodic "fits" or "seizures."
