ISRO Successfully Tests New Liquid Rocket Engine In Tamil Nadu

- The Indian Space Research Organisation, ISRO successfully tested the new liquid rocket engine manufactured through Additive Manufacturing technology.
- The test was successfully carried out at ISRO Propulsion Complex in Mahendragiri in Tamilnadu.
- This new redesigned PS4 engine has brought down the number of parts from 14 to a single piece and eliminated 19 weld joints.
- This will significantly save on the raw material usage per engine, reduce metal powder from 565 kgs to 13.7 kgs and reduce the production time by 60 percent.
- This new redesigned engine will be used for the fourth stage of PSLV launch vehicle and also in the Reaction Control System of the First Stage in PSLV.
- ISRO is planning to induct this PS4 engine into the regular PSLV program. Additive Manufacturing technology means 3D printing of PS4 engines.

Q. Recently, ISRO has successfully tested the new liquid rocket engine manufactured through which technology? **Additive Manufacturing technology**

Grand Chess Tour: R Praggnanandhaa Beats World Number One Magnus Carlsen

- In Chess, India's R Praggnanandhaa scored yet another victory over world number one Magnus Carlsen of Norway to keep himself afloat even as Wei Yi of China stretched his lead to a massive 2.5 points in the Superbet rapid and blitz tournament.
- With nine rounds still to go in the blitz event, Wei Yi has amassed 20.5 points with seven wins on the first day of blitz.
- Ending the day with 7.5 out of a possible nine, Yi seems like a man possessed and is poised to win the first leg of the Grand Chess Tour.
- Carlsen, at 18, is a distant second at this point and the main reason behind that is Praggnanandhaa, who has been beating the world number one often these days in the faster version of the game.
- Praggnanandhaa, however, is far behind the leaders with 14.5 points which makes it literally a two-horse race for the title.

Q. Recently, India's R Praggnanandhaa has registered another victory over which Norwegian chess player in the Superbet Rapid and Blitz tournament? **Magnus Carlsen**

India to sign 10-year agreement with Iran to manage Chabahar Port

- India is expected to sign an agreement with Iran to oversee the management of Chabahar Port for the next decade, making it New Delhi's first venture into managing a port overseas.
- According to a report by the Economic Times (ET), Shipping Minister Sarbananda Sonowal is scheduled to travel to Iran for the signing ceremony.
- Plans are currently underway to integrate Chabahar Port with the International North South Transport Corridor (INSTC), facilitating India's connectivity with Russia via Iran.
- By leveraging Chabahar Port, India aims to bypass Pakistan and establish direct access to Afghanistan and beyond, into Central Asia.
- Chabahar Port holds strategic importance for India as it serves as a vital link connecting the country to Afghanistan, Central Asia, and the broader Eurasian region. Moreover, this initiative is seen as a counterbalance to Pakistan's Gwadar port and China's Belt and Road Initiative.

Q. With which country, India will sign a 10-year agreement for the management of Chabahar Port? **Iran**

Vladimir Putin removes Sergei Shoigu from Russian defence ministry

- Russian President Vladimir Putin has removed his long-standing ally Sergei Shoigu as defence minister, the Kremlin has announced.
- The 68-year-old has been in the role since 2012 and is to be appointed secretary of Russia's Security Council.
- Papers published by the upper chamber of the Russian parliament said Mr Shoigu will be replaced by Deputy Prime Minister Andrei Belousov.
- Russian government papers show Mr Putin wants Mr Shoigu to take over from Nikolai Patrushev on the powerful security council. It is not yet clear what Mr Patrushev's new post will be.
- Mr Shoigu has close links with President Putin, often taking him on fishing trips in his native Siberia.
- He was given the defence portfolio despite having no military background, which rankled with some of his top brass.
- A civil engineer by profession, Mr Shoigu rose to prominence as the head of the emergencies and disaster relief ministry in the 1990s.
- He often looked out of his depth as defence minister, especially after Russia's full-scale invasion of Ukraine more than two years ago, BBC Europe analyst Danny Aeberhard says.

Q. Who has been removed from the post of Defense Minister of Russia? **Sergei Shoigu**

Hinduja led IHL gets Irdai's nod for acquisition of Reliance Capital

- Hinduja Group's IndusInd International Holdings (IHL) received the long-awaited Insurance Regulatory and Development Authority of India's approval for the acquisition of Reliance Capital.
- The acquisition will include the takeover of Reliance Capital's insurance arms — wholly-owned subsidiary Reliance General Insurance and 51:49 JV with Nippon Life, Reliance Nippon Life Insurance.
- The insurance regulator has cleared the transfer of Reliance Capital's 26 per cent stake in Reliance Nippon Life to Aasia Enterprises. Post the transaction, Reliance Capital, Nippon Life Insurance and Aasia Enterprises LLP will be the promoters of the company.
- The approval is valid for three months and subject to certain "regulatory, statutory, and judicial clearances/compliances". Further, IRDAI has also sought details of the share transfer post the completion of the acquisition. The approval has been long pending and crucial to the resolution plan given that the insurance arms are the highest revenue-accruing businesses of Reliance Capital.

Q. Which Hinduja Group-led company got the long-awaited approval from the Insurance Regulatory and Development Authority of India for the acquisition of Reliance Capital?

IHL
