### BANKING NEWS

#### 1) July, retail inflation in India

- In July, retail inflation in India experienced a significant upswing, reaching 7.44%, marking the highest rate since April 2022.
- This surge contrasts with the preceding four-month period of inflation below the central bank's 6% tolerance threshold.
- The increase is largely attributed to an 11.5% spike in food prices, making it the first time since September 2022 that the price rise has crossed the 7% mark.

#### 2) Wholesale Price Index

- In July, the Wholesale Price Index (WPI) continued to exhibit deflationary trends for the fourth consecutive month, although the decline was notably mitigated by a substantial increase in food and primary article prices.
- While the overall WPI deflation shrank from June's 92-month low of -4.1% to -1.36%, a surge of over 7.5% in food and primary article prices played a pivotal role in this shift.

#### 3) Indian government has decided to enhance the windfall profit tax

- In a recent development, the Indian government has decided to enhance the windfall profit tax on domestically produced crude oil and exported diesel.
- This decision is accompanied by the reintroduction of the tax on aviation turbine fuel (ATF) shipments abroad.
- These changes are being implemented through a special additional excise duty (SAED) mechanism, aimed at regulating profits derived from these energy sources.

#### 4) India's journey towards becoming a developed economy by 2047

- India's journey towards becoming a developed economy by 2047 has gained momentum, with a recent study conducted by SBI Research economists projecting a remarkable increase in per capita income.
