3) Digital Rupee vs UPI

- UPI, in contrast to Digital Rupee, merely serves as an interface for financial transactions involving actual money. The Digital Rupee is only another type of money that is similar to fiat money. UPI and the digital Rupee are entirely separate ideas.

- With the introduction of the digital rupee, India may be hoping to eventually abandon UPI. The concept is likely to reduce the expense of managing and delivering cash money by depending on the digital rupee. Therefore, the purpose of digital currency is to eventually replace the need for physical money.
