4) India's Satluj Jal Vidyut Nigam (SJVN) Limited

- Nepal has decided to allow India's Satluj Jal Vidyut Nigam (SJVN) Limited to develop a second hydropower project in the country.
- At present SJVN is developing a 900-MW Arun -III hydroelectric project, a run-of-river located on the Arun River in Eastern Nepal, scheduled to be completed in 2024.
- A meeting of the Investment Board Nepal (IBN) chaired by Prime Minister Pushpa Kamal Dahal aka Prachanda approved the draft project development agreement (PDA) to be signed with India's state-owned SJVN to develop the 669-megawatt (MW) Lower Arun Hydropower project in eastern Nepal.

5) India's economic growth for the fiscal year 2023-24

- Experts from various agencies have estimated India's economic growth for the fiscal year 2023-24 to be in the range of 6-6.5%.
- While there are slight variations in decimal points, the consensus suggests a positive outlook for the country's GDP growth. Factors such as improved agricultural output, rebounding contact-intensive sectors, and government initiatives are expected to drive this growth.
- However, there are also downside risks, including geopolitical tensions and slowing external demand.

6) Bank of Maharashtra

- Bank of Maharashtra, a Pune-based state-owned lender, has been recognized as the best bank in managing bad loans, achieving a remarkably low net non-performing assets (NPAs) ratio of 0.25% during the financial year that ended in March 2023.
- This achievement positions BoM as the leader among all banks with total business exceeding Rs 3 lakh crore, not limited to public sector banks (PSBs), according to the published yearly data of banks.

7) 'Sudarshan Shakti 2023'

- The Sapta Shakti Command of the Indian Army recently conducted the highly anticipated exercise 'Sudarshan Shakti 2023' along the western borders in Rajasthan and Punjab.
- The exercise aimed to transform the forces into a modern, lean, and agile fighting combination capable of leveraging new-age technologies.
- With a focus on operational planning in a network-centric environment, this exercise validated the Indian Army's combat power, combat support, and logistic support capabilities.
