BOOKS AND AUTHORS

1) 'Chief Minister's Diary No.1'

- Former Chief Justice of India and member of the Rajya Sabha Ranjan Gogoi has released a book titled 'Chief Minister's Diary No.1' containing the account of events of the first year in office of Assam chief minister Himanta Biswa Sarma.

2) "Roller Coaster: An Affair with Banking"

- Journalist Tamal Bandyopadhyay has released his latest book "Roller Coaster: An Affair with Banking" with permission from Jaico Publishing House.

- Roller Coaster is a string of such stories and revelations from the country's foremost banking journalist's affair with the industry—even though banks were not ideal partners for such liaisons.

- He has seen the industry and dramatis personae grow over two and a half decades, first as a rookie reporter, then as an editor and a columnist, and, finally, as an author.

- The book brings to light the lives of India's commercial and central bankers. But it does not discuss their successes, failures, or the ever-evolving dynamics of monetary and fiscal policies. It's about their persona, warts and all—how they are as leaders, how they evolved, and how they changed the culture and ethos of the Indian banking sector.
